

## WESTON EXPLORERS ATTEND STATE TRAINING

A group from the BSO Weston Police Explorers Post 44 participated in the Florida Association of Police Explorers Delegate Training from April 28<sup>th</sup> – 30<sup>th</sup>. The training was hosted by the Pinellas County Sheriff's Office and the St. Petersburg Police Department on the campus of St. Petersburg College.

Weston Post 44 participated in building clearing, search & seizure, domestic scenarios, and hands-on training in cell extraction, first-aid & K-9 operations in over 20 individual training areas.

Over 300 participants participated in the training, from as far north as Tallahassee to neighboring Broward Posts from Miramar & Coral Springs. The trainings are conducted on a quarterly basis to prepare for the State Competition, which will be hosted by the Palm Beach Gardens Police Department this summer.

The BSO Law Enforcement Explorer Program is for young men and women ages 14 - 21. The program allows participants to interact with law enforcement and other community advisors in a serious, regimented atmosphere where the students can demonstrate their personal initiative.
