School is (Almost) Out  
Safety Reminders

With the upcoming end of school combined with longer daylight hours, it is time for parents and community members to be mindful of safety precautions. Children will soon be spending more time outdoors and on-the-go.

Among the suggested precautions are:

• Model safe driving practices and teach children how to be safe when crossing streets.
• Make sure everyone in your family wears a helmet when biking.
• Make sure you know where your child is going when they leave the house to play with friends.
• Plan a specific time for your child to be home.
• Remind children that, even though it seems light outside, dusk brings a new darkness to drivers.
• To avoid heat exhaustion, make sure to dress children properly. Children should be dressed in lightweight, light-colored clothing, and a hat.
• Make sure to stay hydrated. Children should try to drink water often, especially during extremely hot days.
• Always apply sunscreen and keep the bug repellent handy! Sunscreen needs to be reapplied every two hours.

Your summer ahead can be safe and enjoyable with appropriate planning and discussions with your children. We look forward to seeing everyone around Weston!
