

BACK TO SCHOOL

Online Forms for 2018-19 School Year Now Available

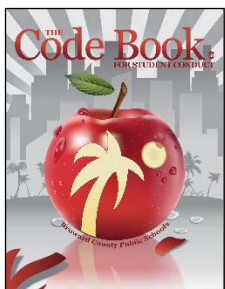

As summer comes to a close, parents and students are busy preparing for the new school year. It's hard to believe that school starts next week! For the first few days of the school year, it always seems like there is more work for mom and dad than for the students. Here are some resources to help parents with all the paperwork by using Broward County Schools' online form resources, [available here](#).

Emergency Contact Card

Parents can get a jump start on the school year by entering the student registration information, which is what is typically found on the Student Emergency Contact Card, directly in the Broward Schools system. [Click here to begin the process](#).

Code of Student Conduct

Review the code with your child, as all students are expected to adhere to the code and be aware of the consequences for violations. Such rules as consistent and timely attendance, respect for people and property, appropriate dress, technology usage, are covered in the Code.
