

CONGRATULATIONS
DAVID KELLER, ASSISTANT CITY MANAGER/CFO, and
DARREL THOMAS, CITY TREASURER

Members of city staff are encouraged to continuously increase their credentials. On July 26, 2010 David Keller, Assistant City Manager and Chief Financial Officer (CFO) and Darrel Thomas, Treasurer did just that as they were formally recognized for successfully completing their Certified Public Funds Investment Manager (CPFIM) credential, awarded by the Association of Public Treasurers' of the United States and Canada (APT US & C).

To receive this certification, both completed eight hours of CPE credits and passed an exam administered by APT US & C. Mr. Keller and Mr. Thomas formally joined the 175 members of the association who hold the CPFIM designation when they were honored for their accomplishment at the 45th Annual Conference held in Charleston, South Carolina in July 2010.

The CPFIM program is a nationally recognized accreditation designed to recognize individuals demonstrating to their community and employer that they are a qualified investment manager. In today's economic climate the CPFIM is a reinforcement of leadership and management skills; recipients are tested in the areas of investment management, banks, brokers and advisors, governance and investment policy, safety, liquidity and yield, cash flow, and strategy. Congratulations to Dave Keller and Darrel Thomas on this prestigious certification!
