ARTS COUNCIL OF GREATER WESTON TO HOST 5TH ANNUAL STUDENT ARTIST SHOWCASE

The Arts Council of Greater Weston is pleased to announce that they will be hosting the **5th Annual Student Artist Showcase** in February 2011. The exhibit will be open for the public to view at the Weston Branch Library from February 4, 2011 through February 14, 2011.

This exciting exhibition demonstrates a wide range of artwork originating in our classrooms. Students from grades Pre-K to 12 participate and offer their creative works. Last year's exhibit offered approximately 150 pieces of art work. Visitors will be amazed at the high level of creativity and craftsmanship displayed by our students as they explore themes and materials as diverse as the teachers that foster this creativity and the students that generate the art work.

In these times of educational spending cut-backs, the Arts Council of Greater Weston is delighted with this public-private partnership, aimed at maintaining an emphasis on the arts and creativity in our schools.
