## **BROWARD COUNTY HEALTH DEPARTMENT ANNOUNCES OUTREACH LOCATIONS FOR FREE BACK TO SCHOOL IMMUNIZATIONS**

*Parents and legal guardians are encouraged to plan early for back to school immunizations*

**BROWARD COUNTY, FL** – The Broward County Health Department will offer free immunizations for children of all ages (birth to 18 years of age) during the month of August. A complete list of locations, dates and times are attached. To avoid the long lines associated with back to school, parents and guardians are encouraged to visit one of the immunization outreach locations. **During the weeks of August 16-20, 2010 and August 23-27, 2010, Broward County Health Department will offer childhood immunizations at Pompano Beach Middle School, Morton Activity Center, Washington Park & Community Center and E. Pat Larkin Community Center locations only.**

“Broward County Health Department’s goal is to allow children to enter school timely and decrease the rate of unimmunized children by bringing this much needed service directly to our residents,” said Paula Thaqi, M.D., Director of the Broward County Health Department. “Broward County residents will have over 56 opportunities at 12 different locations to get their children immunized before the start of school.”

Children must be accompanied by a parent or legal guardian. Parent or legal guardian should remember to bring the child’s immunization records.

Florida law requires that all children from birth through 18 years follow recommended immunization schedules and guidelines. The recommended schedules and guidelines can be found on the health department’s website at [www.browardCHD.org](http://www.browardCHD.org). Children must be immunized before entering any Broward County School.

For more information, call the Broward County Health Department’s Immunization Outreach Office at (954) 467-4856 or visit [www.browardCHD.org](http://www.browardCHD.org).
