Every 10 years, the U.S. Census Bureau conducts a count of our nation’s population. As we are just a under one year away from Census 2020 and we will be sharing facts about how the Census affects YOU as we draw near Census Day April 1, 2020.

Did you know that census data is used to distribute billions of dollars of federal funds every ten years? It is projected that if Broward County achieves an 80% count countywide we will lose out on an estimated $6 Billion dollars in Federal funds over the next 10 years – this is money for education, public infrastructure projects, transportation, healthcare and more, that our area would miss out on. We have one chance for the next ten years. Shape Your Future and be counted in Census 2020. Visit WestonFL.org/Census2020 for ongoing updates.

The Broward Sheriff’s Office Weston District reminds you to lock it, don’t lose it. Always lock the doors to your vehicles, and garage too. And never leave your key fob in the vehicle. Don’t be the victim of a crime of opportunity.

Residents are always encouraged to sign up for our weekly e-Newsletter Newsday Tuesday, which will provide you with all of this information and much more. Sign up online at: WestonFL.org.

Lastly, we wish all who celebrate, a Happy Passover beginning this Friday evening and a Happy Easter on Sunday.
