

ADDENDUM NO. 2

RFP TITLE: Underground Utility Locate Services

RFP NO: 2024-16

DATE: January 15, 2025

To All Proposers:

Proposers for the above referenced RFP shall take note of the following changes, additions, deletions, clarifications, etc., to the RFP documents, which shall become a part of and have precedence over anything shown or described otherwise.

A. CHANGES IN THE RFP DOCUMENTS

None.

B. CLARIFICATIONS

None.

C. QUESTIONS FROM PROPOSERS

1. Q: Can the City provide a breakdown of tickets requiring single, dual, and all three services to be located?

A: There is no report on Exactix that gives a breakdown of how many member codes per ticket the CITY is responsible for marking, but all of our member codes cover generally the same area, so in most cases each ticket will have 4 or 5 of our codes associated with them.

2. Q: Can you provide us the last three invoices from current utility locating contractor?

A: See ATTACHMENT A, enclosed herewith.

3. Q: When discussing the requirement for financials, are we to provide a balance sheet of the company or the last two tax returns; Is it one or the other or are both needed for submittal?

A: Refer to section 3.4 - B (page 18) of the solicitation, for specific financials required. Proposers must provide a copy of the most recent audited annual financial statements containing a balance, income statement, and a statement of cash flows OR non-audited financial statements containing a balance sheet, income statement, and a statement of cash flows plus a complete federal tax return for the past two years.

4. Q: Can the bond be submitted as a cashier's check?

A: Please refer to the "PROPOSAL SECURITY" section of the "NOTICE TO PROPOSERS". Proposal security in the form of a proposal bond acceptable to the CITY or a cashier's check made payable to the "City of Weston" in the amount of \$5,000.00.

5. Q: Are the companies going to be receiving all the member codes or are the companies going to receive a ticket that will include all of them?

A: In Exactix, the awarded vendor will be made a proxy for the City of Weston, so for each ticket that is submitted that is in our area that is requesting locates for one of our member codes, will be forwarded to the vendor.

6. Q: When is the insurance certificate required? During or after the proposal is awarded?

A: Proof of insurance will be required of the awarded vendor.

7. Q: Regarding Addendum No. 1- Attachment A: the significant discrepancy between the yearly tickets and month-to-month breakdown for 2024, as compared to the Exhibit B fee schedule's estimated annual account, amounts to almost a 50% difference. Would you recommend using the Exhibit B figures instead?

A: The annual quantities listed are estimates, the payment for locates will be based on actual number of locates completed. Actual quantities vary year to year. Please bid based on the quantities listed in Exhibit B.

8. Q: Concerning the Exhibit B fee schedule numbers 9, 10, and 11: could you clarify the monthly square footage allocations for each pricing tier? Specifically, what would be the appropriate square footage ranges for small, medium, and large surface categories?

A: These are as needed services and may or may not be utilized.

9. Q: Regarding the Exhibit B fee schedule for areas of at least 25,001 square feet and greater, is there a defined upper limit on the square footage? If not, could we consider adding a maximum footage cap for pricing purposes?

A: There is no upper limit.
