B. CLARIFICATIONS

None.

C. QUESTIONS FROM BIDDERS

1. Q: What is the estimated budget for the project?

A: \$4.5 million.

2. Q: Is there a self-perform goal?

A: The solicitation does not include a "self-performed" goal. However, it does include a 40% Broward County Certified County Business Enterprises (CBE) goal.

3. Q: The bid document outlines that the primary license requirements for this job are for a Florida Certified General Contractor's License. Could a Paving Engineering License from the Construction Trade Qualifying Board Business Certificate of Competency or a Certified Utility Underground/Excavation and Pipelines Contractor licensed by State of Florida Department of Business and Professional Regulations also be considered a primary for this project?

A: The City cannot change the current licensing requirement, as we have work on this project that is outside of what paving/underground license covers.

4. Q: When is the anticipated start date for the project?

A: August 2025.

5. Q: Mast Arm are showing Valmont. Would the City of Weston accept an alternative?

A: No alternates, mast arms must be Valmont.

6. Q: Can you please provide the electrical plans?

A: See Section A., CHANGES TO BID DOCUMENTS, as noted herein.

7. Q: Is there any possibility of an extension to the deadline?

A: Not at the present time. Any changes to the "*Bid Submittal Deadline*" will be addressed via an Addendum.
