The CITY reserves the right to make all final determination(s) of the applicability of the Florida Public Records Law.

3.21 Subcontracting

No subcontracting, including employee leasing, shall be permitted, except with the prior approval of the City Manager, which shall be in his sole and absolute discretion. A list of all such sub-consultants shall be included in the Proposal. If additional subconsultants are to be used during the term of this Agreement, other than those submitted in the Proposal, a list of subconsultants shall be provided to the City Manager, subject to his approval. Such subconsultants shall be subject to the same contract requirements as the PROPOSER during the term of this Agreement.

3.22 Public Entities Crime

A person or affiliate as defined in Section 287.133, Florida Statutes, who or which has been placed on the convicted vendor list maintained by the Florida Department of Management Services following a conviction for a public entity crime, may not submit a bid on an Agreement to provide any goods or services to the CITY and may not transact business with the CITY in an amount set forth in Section 287.017, Florida Statutes, for Category Two for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

By submitting a response to this RFQ, PROPOSER certifies that it is qualified under Section 287.133, Florida Statutes, to provide the services set forth in this Agreement for Construction Engineering & Inspection (CEI) Services for Bonaventure Boulevard Bicycle Lanes - Indian Trace To SR-84.

3.25 Entities of Foreign Countries of Concern

Section 287.138, Florida Statutes, prohibits the CITY from entering in to a contract which would give access to an individual's personal identifying information to an entity with (a) a controlling interest (as that term is defined in sub-section 287.138(1)(a)), (b) full ownership held by a Foreign Country of Concern (as that term is defined in sub-section 287.138(1)(c)), or (c) with a principal place of business in a Foreign Country of Concern, unless the entity provides the City with an affidavit, signed by an officer or representative of the entity under penalty of perjury attesting that the entity does not meet any of the criteria in paragraphs (2)(a)-(c) of the statute.

The Vendor shall execute the Affidavit regarding Entities of Foreign Countries of Concern, which is included as Form14 attached hereto. The City reserves the right to terminate this

Agreement in the event the Vendor has provided a false certification or otherwise violates Section 287.138, Florida Statutes.

3.26 Determination of Allowable Costs

A determination of allowable costs in accordance with the Federal cost principles will be performed for services rendered under the contract.

3.27 Federal Funding Requirements

Because this project receives federal funding, the Local Agency Program Federal Aid Terms for Professional Service Contracts (FDOT Form 375-040-84) applies and is incorporated as part of this RFQ and subsequent contract. The form has been included with this RFQ as Form 18.

3.28 Disadvantaged Business Enterprises

It is the policy of FDOT to encourage the participation of small businesses and disadvantaged business enterprises ("DBE") in all facets of the business activities of FDOT, consistent with applicable laws and regulations. FDOT has established an aspiration goal of 10.65% DBE usage and an additional 3% non-DBE Small Business usage for the subject Project. Firms proposing for this Project shall aspire to have 10.54% or more of the total contract costs performed by DBEs, and an additional three percent (3%) or more of the total contract costs performed by non-DBE small businesses. Although not a contract requirement, FDOT believes that the aforementioned aspiration goal can realistically be achieved based on current availability of DBEs and small businesses. FDOT further believes that the 13.54% overall goal can be achieved through race neutral means, using standard competitive procurement processes. Pursuant to the provisions of Section 339.0805, Florida Statutes, and Rule 14.78.005, Florida Administrative Code, FDOT has adopted rules to provide certified DBEs opportunities to participate in the business activities of FDOT as vendors, CONTRACTORS, subcontractors, and consultants. FDOT has adopted the DBE definition set forth in Code 49 of Federal Regulations Section 26.5.

3.29 Bid Opportunity

The Federal DBE Program requires States to maintain a database of all firms that are participating or attempting to participate in FDOT-assisted contracts. The list must include all firms that bid on prime contracts or bid or quote subcontracts on FDOT-assisted projects, including both DBE's and non-DBEs. Please complete the Bidders Opportunity List through the Equal Opportunity Compliance system within 3 business days of submission of the bid or proposal for ALL subcontractors or sub-consultants who quoted to you for specific project for this letting. The web address to the Equal Opportunity Compliance system is: <https://www.fdot.gov/equalopportunity/eoc.shtm>.

3.30 Lobbying Activities

The PROPOSER shall submit a completed copy of the Certification for Disclosure of Lobbying Activities Form (FDOT Form No. 375-030-33) and as applicable Disclosure of Lobbying Activities, Form (FDOT Form No. 375-030-34) as required by 49 CFR, Section 20.

The PROPOSER shall submit a completed copy of the Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion Form, FDOT Form No. 375-030-32 as required by 49 CFR, Section 29.

For Federal Aid Projects the CITY is required to conduct a performance evaluation of the Vendor at the completion of the project. A sample Performance Evaluation Form is attached as Form 19. The form will be kept on file with the CITY and it will be shared with any Agency requesting a future reference for the Successful PROPOSER.

3.33 Truth in Negotiation

The PROPOSER shall submit a completed copy of the Truth in Negotiations Form (FDOT Form No. 375-030-30).

3.34 Conflict of Interest

No official or employee of the CITY who is authorized in his official capacity to negotiate, make, accept or approve, or take part in negotiating, making, accepting or approving any contract or subcontract in connection with this project shall have, directly or indirectly, any financial or other personal interest in any such contract or subcontract. No engineer, attorney, appraiser, inspector or other person performing services for the CITY in connection with a project shall have, directly or indirectly, a financial or other personal interest, other than his employment or retention by a State or other governmental instrumentality, in any contract or subcontract in connection with such project.

Per 23 CFR 1.33, Paragraph 14f of the LAP Agreement - Neither the CITY nor any of its CONTRACTORS or their subcontractors shall enter into any contract, subcontract or arrangement in connection with the Project or any property included or planned to be included in the Project in which any member, officer or employee of the CITY or the locality during tenure or for 2 years thereafter has any interest, direct or indirect. If any such present or former member, officer or employee involuntarily acquires or had acquired prior to the beginning of tenure any such interest, and if such interest is immediately disclosed to the CITY, the CITY, with prior approval of the Department, may waive the prohibition contained in this paragraph provided that any such present member, officer or employee shall not participate in any action by the CITY or the locality relating to such contract, subcontract or arrangement. The CITY shall insert in all contracts entered into in connection with the Project or any property included or planned to be included in any Project, and shall require its CONTRACTORS to insert in each of their subcontracts, the following provision:

- a. By signing and submitting this proposal, the prospective lower tier is providing the certification set out below.
- b. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department, or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
- c. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous by reason of changed circumstances.
- d. The terms "covered transaction," "debarred," "suspended," "ineligible," "participant," "person," "principal," and "voluntarily excluded," as used in this clause, are defined in 2 CFR Parts 180 and 1200. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations. "First Tier Covered Transactions" refers to any covered transaction between a grantee or subgrantee of Federal funds and a participant (such as the prime or general contract). "Lower Tier Covered Transactions" refers to any covered transaction under a First Tier Covered Transaction (such as subcontracts). "First Tier Participant" refers to the participant who has entered into a covered transaction with a grantee or subgrantee of Federal funds (such as the prime or general contractor). A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any lower tier prospective participants, each participant may, but is not required to, check the Excluded Parties List System website (<https://www.epls.gov/>), which is compiled by the General Services Administration.
- h. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- i. Except for transactions authorized under paragraph e of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
