2.28 Entities of Foreign Countries of Concern

Section 287.138, Florida Statutes, prohibits the CITY from entering in to a contract which would give access to an individual's personal identifying information to an entity with (a) a controlling interest (as that term is defined in sub-section 287.138(1)(a)), (b) full ownership held by a Foreign Country of Concern (as that term is defined in sub-section 287.138(1)(c)), or (c) with a principal place of business in a Foreign Country of Concern, unless the entity provides the City with an affidavit, signed by an officer or representative of the entity under penalty of perjury attesting that the entity does not meet any of the criteria in paragraphs (2)(a)-(c) of the statute.

The Vendor shall execute the Affidavit regarding Entities of Foreign Countries of Concern, which is included as Form14 attached hereto. ## SECTION 3

### EVALUATION OF PROPOSAL

#### 3.1 Selection Committee

Proposals submitted shall be evaluated by the Selection Committee. The Selection Committee shall convene at a publicly noticed virtual meeting to review submissions, rank and evaluate the proposals, and provide a recommendation for award. Selection Committee Members, Director of Procurement, Financial Reviewer and the Technical Advisor shall complete and execute an independence affidavit.

#### 3.2 Qualification Evaluation

- A. The evaluation of proposals and the determination of responsiveness and responsibility shall be the responsibility of the Selection Committee. Such determination shall be based on information furnished by the PROPOSER, as well as other information reasonably available to the CITY.
- B. The Selection Committee shall examine the documentation submitted in the proposal to determine the responsiveness of each PROPOSER. Failure to provide the required information may disqualify any such proposal as non-responsive and such proposal may not be considered. The Selection Committee may disqualify any PROPOSERS that make exaggerated or false statements.
- C. The Selection Committee may make such investigations as it deems necessary to determine the responsibility and ability of the PROPOSER and the PROPOSER shall furnish the CITY all such information for this purpose as the CITY may request before and during the proposal period. The Selection Committee reserves the right to make additional inquiries, interview some or all PROPOSERS, make site visits, obtain credit reports, or take any other action it deems necessary to fairly evaluate all PROPOSERS. The Selection Committee may reject a PROPOSER or qualify a PROPOSER.

#### 3.3 Responsiveness

PROPOSERS may be deemed to be non-responsive and their Bids may be rejected for any of, but not limited to, the following reasons:

- A. Completion, accuracy and submission of all required documentation.
- B. Compliance with all requirements of the RFP, including adherence to all RFP instructions.
- C. Consistency of the offered goods or services as set forth in the Agreement.

### 3.4 Responsibility

The factors to be considered in determining the responsibility of a PROPOSER shall include but not be limited to the following:

- A. PROPOSERS past experience and performance.

OR

**Social Security and/or bank account numbers should be redacted on the statements/federal tax returns.**

In lieu of submitting the above documentation, Proposer may submit alternative documentation that demonstrates their financial ability to perform the services described herein; however, a complete financial evaluation cannot be conducted without the above documentation.

- C. The financial statements requested are developed into nine financial ratios which include the following:
  - 1. Liquidity - measures a business's ability to cover its obligations, without having to borrow or invest money in the business.
  - 2. Working Capital - measures liquid assets that provide a safety cushion to creditors.
  - 3. Solvency - assesses a company's ability to meet its long-term obligations and therefore remain solvent and avoid bankruptcy.
  - 4. Gross Margin - indicates the percentage of sales (revenue) dollars available for expenses and profit after the cost of materials is deducted from the sales (revenue).
  - 5. Free Cash Flow - tells how much cash is left over from operations after a company pays for its capital expenditures.

6. Account Receivables – as a percentage of current assets, which will provide information about assets not yet received and therefore unavailable at the present time to be used as resources.
7. Receivables to Current Assets - receivables as a percentage of current assets that would reveal the size of receivables in current assets and the opportunity cost associated with it.
8. Long Term Debt - measurements representing the percentage of a corporation's assets that are financed with loans and financial obligations lasting more than one year.
9. Cash Ratio - an indicator of a company's liquidity by measuring the amount of cash, cash equivalents or invested funds there are in current assets to cover current liabilities.

**\*\*PROPOSERS will only be compared to other firms that submit a proposal, to determine relative positions of financial ability and stability. \*\***

- D. Litigation history
- E. The scope and content of any investigations, reports or audits relating to, or communications with, the PROPOSER that have been commenced or issued by any local, state, or federal law enforcement agency, criminal justice agency, health and safety agency or inspector general office.
- F. Whether the PROPOSER has failed to disclose or made misrepresentations to any governmental entity regarding conflicts of interest or potential or apparent conflicts of interest.
- G. Availability of appropriate material, equipment, facility and personnel resources and expertise, or the ability to obtain them, to meet all requirements of the Agreement.
- H. Whether the PROPOSER or its partners, officers or key personnel or its subsidiaries or parent company have been engaged in any criminal activity or have been convicted of any crimes.

### 3.5 Evaluation Process

- A. The Selection Committee shall convene at a publicly noticed virtual meeting and collectively discuss and review the proposals. Each member of the Selection Committee shall evaluate and rank each proposal in each of the categories listed in this section and compute a final ranking. The Director of Procurement shall tally the final rankings and announce the final total ranking. A sample of the ranking form used by the Selection Committee is included in this Section.

The CITY may select the top ranked PROPOSER, and if determined to be in the best interest of the CITY, any additional PROPOSERS, in order of rank.

- B. Proposals shall be evaluated and ranked based on the following categories, which shall be weighted equally.
1. PROPOSER's financial ability to perform the services described in the Agreement.
  2. Qualifications of the PROPOSER's personnel, project manager and subcontractors, including their pertinent training, skill and experience who may be providing services pursuant to the RFP and Agreement.
  3. PROPOSER's experience and performance on comparable contracts in providing fabrication, installation, maintenance and repair of roadway traffic signage to other entities of similar complexity and size as CITY and make sure it is consistent throughout the solicitation
  4. Compliance of Sample Sign Post to RFP design specifications which includes: post material type, post thickness, dimensions, sign blade vinyl material, welding quality and locations, ornamental details, proper paint color and coat thickness.
  5. Proposer's total cost of services as provided in the Exhibit B-Fee Schedule Table.
- C. The Selection Committee may interview some or all of the PROPOSERS. During the evaluation process, the Selection Committee may request any or all PROPOSERS to make oral presentations. Based on the final rankings resulting from the process described above, the Selection Committee will make a recommendation for award of the Agreement.
- D. In the event of a tie, the CITY shall break the tie by drawing lots at a publicly noticed meeting.

### 3.6 Award

Following notification of the firm(s) selected, the CITY Commission may authorize the appropriate CITY official to execute an agreement with the top ranked PROPOSER, and if determined to be in the best interest of the CITY, any additional PROPOSERS, in order of rank.

Simultaneous with the delivery of an executed proposal to the CITY, the PROPOSER shall furnish to the CITY a proposal security in the minimum amount of \$5,000.00 or 5% of the total proposal cost, whichever is greater, as security for the execution of an agreement with the CITY, in the event of such award by the CITY Commission. Failure by the successful PROPOSER to execute an agreement, to furnish a performance and payment bond and/or to furnish certificates of insurance in the minimum amounts specified in the Agreement, within 14 calendar days of the date of the notice of award by the CITY Commission, may result in forfeiture of the proposal security, and may result in cancellation of the award of the Agreement. Such forfeiture shall be considered not as a penalty, but as liquidation for damages sustained. Award may then be made to the next ranked PROPOSER, or all proposals may be rejected.
- B. The proposal security shall be in the form of a cashier's check payable to "CITY of Weston" and drawn on a bank authorized to do business in the State of Florida, or a proposal bond issued by a surety meeting the qualifications stated in this Section. ## SECTION 7

### STANDARDS OF PERFORMANCE & PAYMENT SECURITY

#### 7.1 Security Requirements

- A. For CONTRACTORS offering installation services, within fourteen days of the Notice of Award by City Commission, CONTRACTOR shall furnish to CITY performance & payment security in an amount equal to \$150,000.00, as security for the faithful performance of Agreement and for the payment of all persons performing labor and/or furnishing materials in connection with the Agreement. Bond shall be submitted on Exhibit E provided in the Agreement. The condition of this obligation is such that, if CONTRACTOR shall promptly and faithfully perform the Agreement, make payments to all claimants for all labor and material used or reasonably required for use in the performance of the Agreement, and shall fully indemnify and save harmless CITY and its agents and/or service provider for all costs and damages that may be suffered by reason of failure to do so, then this obligation shall be null and void; otherwise it shall remain in full force and effect.
- B. The performance & payment security shall be in the form of a cashier's check payable to "City of Weston" and drawn on a bank, authorized to do business in the State of Florida, or a surety bond issued by a surety company meeting the qualifications stated in this Section. A copy of the cashier's check or surety bond shall be attached as Exhibit E.
- C. The surety company issuing the surety bond shall fulfill each of the following provisions, and CONTRACTOR shall provide evidence to document such fulfillment:
  1. The surety company is licensed to do business in the State of Florida.
  2. The surety company holds a valid certificate of authority, authorizing it to write surety bonds in the State of Florida.
  3. The surety company has twice the minimum surplus and capital required by the Florida Insurance Code at the time the Agreement is executed.
  4. The surety company is otherwise in compliance with the provisions of the Florida Insurance Code.
  5. The surety company holds a valid certificate of authority issued by the United States Department of the Treasury under 31 U.S.C. § 9304-9308.
  6. The bond shall contain all provisions required by § 255.05, Florida Statutes, as may be amended from time to time.
  7. The bond shall be issued by a Florida resident agent.
  8. A surety bond shall be executed by a surety company of recognized standing having been in business with a record of successful continuous operation for at least five years.

9. The surety company shall meet a minimum financial rating by AM Best Company of no less than "A- Excellent: FSC VII" and shall have at least a minimum policyholders rating of A- Class VII or higher. In the event that the surety company's rating shall drop, the surety company shall immediately notify CITY.
  10. All surety companies are subject to review and approval by CITY and may be rejected without cause. All bonds signed by an agency shall be accompanied by a certificate of authority to act.
- D. Duration of Security: Performance & payment security may be renewed annually by the CONTRACTOR but shall remain in force, with no lapse, throughout the contract term and until expiration of the Agreement. Non-renewal of performance & payment security shall constitute a breach of contract by the CONTRACTOR and CONTRACTOR shall then be subject to termination for default pursuant to Section 1.2 and 8.14 – W. of this Agreement. If the Agreement is terminated, they shall remain in force for one year from the date of termination of this Agreement as protection to CITY against losses resulting from improper performance of work under the Agreement that may appear or be discovered during that period.

## SECTION 8

### GENERAL CONDITIONS

#### 8.1 Notice to Commence

No work shall commence until the Notice of Commencement is issued by CITY.

#### 8.2 Exemption Prohibition

CONTRACTOR agrees and acknowledges that CONTRACTOR is prohibited from exempting any provisions of this Agreement.

#### 8.3 Failure to Comply with Provisions

CONTRACTOR agrees and acknowledges that CONTRACTOR'S failure to comply with any provisions in this Agreement, including but not limited to failing to accurately complete any or all attached forms and exhibits, may constitute a breach of this Agreement, and may result in termination of this Agreement.

#### 8.4 Additional Services

If it should become necessary for CITY to request CONTRACTOR to render any additional services to either supplement the services described in the Agreement or to perform additional work, such additional work shall be performed only if set forth in an amendment to this Agreement. Any such additional work shall be by mutual agreement of both parties, negotiated as to price, and approved by action of City Commission.

#### 8.5 Compensation

A. The amount of compensation payable by CITY to CONTRACTOR shall be based upon the prices as set forth in Exhibit B, attached hereto and made a part hereof, which amount shall be accepted by CONTRACTOR as full compensation for all such work performed under this Agreement. It is acknowledged and agreed by CONTRACTOR that these amounts are the maximum payable and constitute a limitation upon CITY'S obligation to compensate CONTRACTOR for its services related to this Agreement. This maximum amount, however, does not constitute a limitation of any sort, upon CONTRACTOR'S obligation to perform all items of work required by or which can be reasonably inferred from the Agreement.

B. CONTRACTOR may submit an invoice for compensation, developed and agreed upon by City Manager and CONTRACTOR, no more often than on a monthly basis, but only after the services for which the invoices are submitted have been completed. Invoices shall designate the nature of the services performed and shall also show a summary of fees with accrual of the total and credits for portions paid previously. Each statement shall show the proportion of the guaranteed maximum payment that has been expended through previous billings.

C. Notwithstanding any provision of this Agreement to the contrary, the City Manager may withhold, in whole or in part, payment to the extent necessary to protect CITY from loss on account of inadequate or defective work which has not been remedied or resolved in a

manner satisfactory to the City Manager. The amount withheld shall not be subject to payment of interest by CITY.

- D. Payment shall be made to CONTRACTOR in accordance with the local government prompt payment act as stipulated in part VII of Chapter 218, Florida Statutes, by check, electronic funds transfer (EFT), e-pay or p-card, or other method as determined by CITY in its sole discretion.
- E. Beginning on October 1, 2027 and each October 1st thereafter, CONTRACTOR shall receive an annual adjustment in the rates, as established in the rate structure provided in Exhibit B. The annual adjustments shall be based on the annual change in the February Consumer Price Index - All Urban Consumers, Not Seasonally Adjusted, All Items, Miami-Fort Lauderdale-West Palm Beach Area, 1982-84=100, Series ID: CUURS35BSA0, CUUSS35BSA0 (the "CPI"), except that the annual adjustment to the costs shall not exceed 5% (increase or decrease). The CPI is available from the United States Department of Labor, Bureau of Labor Statistics. The parties acknowledge that fuel costs are reflected in the above referenced CPI, and therefore there shall be no additional fuel costs adjustments.

#### 8.6 Taxes

CONTRACTOR shall not be entitled to CITY'S tax-exempt benefits.

#### 8.7 Verbal Agreements

- A. No verbal agreement or conversation with any officer, agent, or employee of the CITY, either before or after execution of the Agreement, shall affect or modify any of the terms or obligations contained in the Agreement. Any such verbal agreement or conversation shall be considered as unofficial information and in no way binding upon CITY or CONTRACTOR.
- B. The terms, conditions, and pricing of the Agreement can only be altered with an amendment to the Agreement by action of City Commission.

#### 8.8 No Contingency Fees

CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for CONTRACTOR, to solicit or secure this Agreement, and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for CONTRACTOR, any fee, commission, percentage, gift or other consideration contingent upon or resulting from the award or making of this Agreement.

#### 8.9 Assignment; Non-transferability of Agreement

- A. The Agreement shall not be assigned or transferred. If CONTRACTOR is, or may be, purchased by or merged with any other corporate entity during the Agreement, the Agreement may be terminated as a result of such transaction. The City Manager shall determine whether an Agreement is to be terminated in such instances.

- B. If, at any time during the Agreement, filings, notices or like documents are submitted to any regulatory agency concerning the potential acquisition of CONTRACTOR, or the sale of a controlling interest in CONTRACTOR, or any similar transaction, CONTRACTOR shall immediately disclose such information to CITY. Failure to do so may result in the Agreement being terminated, at CITY'S sole discretion.

#### 8.10 Compliance with Applicable Laws

CONTRACTORS are required to comply with all provisions of federal, state, county and local laws, ordinances, rules and regulations that are applicable to the services being provided in this Agreement. Lack of knowledge of CONTRACTOR shall in no way be a cause for relief from responsibility or constitute a cognizable defense against the legal effects thereof.

#### 8.11 Familiarity with Laws and Ordinances

CONTRACTOR is familiar with all federal, state and local laws, ordinances, rules and regulations which affect those engaged or employed in the provision of such services, or equipment used in the provision of such services, or which in any way affects the conduct of the provision of such services; and no plea of misunderstanding will be considered on account of ignorance thereof. If CONTRACTOR discovers any provisions in the Agreement that are contrary to or inconsistent with any law, ordinance, or regulation, it shall report the issue to CITY in writing without delay.

#### 8.12 Advertising

CONTRACTOR agrees not to use this Agreement as a part of any advertising or CONTRACTOR sponsored publicity without the express written approval of City Manager or designee.

#### 8.13 Indemnification

- A. CONTRACTOR shall indemnify, hold harmless and, at CITY's option, pay for an attorney selected by CITY, to defend CITY and any of its officers, agents, servants and employees from and against any and all liability, suits, actions, damages, costs, losses and expenses, including attorneys' fees, demands and claims for personal injury, bodily injury, sickness, diseases or death or damage or destruction of tangible property, arising out of any errors, omissions, misconduct or negligent acts, errors or omissions of CONTRACTOR, its officials, agents, employees or subcontractors in the performance of the services of CONTRACTOR under this Agreement, whether direct or indirect and from and against any orders, judgments, or decrees which may be entered thereon and from and against all costs, damages of every kind and nature, attorneys' fees, expenses and liabilities incurred in and about the defense of any such claim and investigation thereof.
- B. CONTRACTOR shall indemnify, hold harmless and, at CITY's option, pay for an attorney selected by CITY, to defend CITY and any of its officers, agents, servants and employees from and against any and all liability, suits, actions, damages, costs, losses and expenses, including attorneys' fees, demands and claims sought by third parties related to any alleged breach of any non-competition of similar provisions.
- C. CONTRACTOR shall indemnify CITY and any of its officers, agents, servants and employees, for all loss, damage, expense or liability including, without limitation, court costs and attorneys' fees that may result by reason of any infringement or claim of infringement by CONTRACTOR of any patent, trademark, copyright, trade secret or other proprietary right relating to services furnished pursuant to this Agreement. CONTRACTOR

shall defend and/or settle at its own expense any action brought against CITY, any of its officers, agents, servants and employees, to the extent that it is based on a claim that products or services furnished to CITY by CONTRACTOR pursuant to this Agreement, or if any portion of the services or goods related to the performance of the service become unusable as a result of any such infringement or claim.

- D. CONTRACTOR acknowledges that specific consideration has been paid or shall be paid under this Agreement for this hold harmless and indemnification provision, and further agrees with the foregoing provisions of indemnity and with the collateral obligation of insuring said indemnity.
- E. The provisions of this section shall survive the expiration or earlier termination of this Agreement. To the extent considered necessary by City Manager and City Attorney, any sums due to CONTRACTOR under this Agreement may be retained by CITY until all of CITY's claims for indemnification pursuant to this Agreement have been settled or otherwise resolved; and any amount withheld shall not be subject to payment of interest by CITY.

#### 8.14 Miscellaneous

- A. Ownership of Documents: Unless otherwise provided by law, any and all reports, surveys, and other data and documents provided or created in connection with this Agreement are and shall remain the property of CITY. Any compensation due to CONTRACTOR shall be withheld until all documents are received as provided herein.
- B. Audit and Inspection Rights, Retention of Records:
  - 1. CITY shall have the right to audit the books, records and accounts of CONTRACTOR that are related to this Agreement. CONTRACTOR shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to this Agreement.
  - 2. CONTRACTOR agrees to keep such records and accounts as may be necessary in order to record complete and correct entries as to personnel hours charged for which CONTRACTOR receives reimbursement. Such records and accounts shall be kept after completion of the work provided for in this Agreement, for at a minimum, the retention period required by the Florida Public Records Act (Chapter 119, Florida Statutes) and by item 340, Disbursement Records: Detail, of the State of Florida General Records Schedule GS1-SL for State and Local Government Agencies, as may be promulgated from time to time. Such books and records shall be available at all reasonable times for examination and audit by CITY.
  - 3. Such retention of such records and documents shall be at CONTRACTOR'S expense.
  - 4. If any audit has been initiated and audit findings have not been resolved at the end of the retention period, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by CITY to be applicable to CONTRACTOR'S records, CONTRACTOR shall comply with all requirements thereof; however, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by CONTRACTOR. Any

incomplete or incorrect entry in such books, records, and accounts shall be a basis for CITY'S disallowance and recovery of any payment upon such entry.

5. CONTRACTOR shall respond to the reasonable inquiries of successor CONTRACTORS and allow successor CONTRACTORS to receive working papers relating to matters of continuing significance.
6. CONTRACTOR shall provide a complete copy of all working papers to CITY, prior to final payment by CITY, in accordance with the Agreement for CONTRACTOR'S services.

C. Public Records: CONTRACTOR shall comply with The Florida Public Records Act as follows:

1. Keep and maintain public records that ordinarily and necessarily would be required by the CITY in order to perform the service.
2. Upon request by the City's records custodian, provide the CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term.
4. Upon completion of the Agreement or in the event of termination of the Agreement by either party, any and all public records relating to the Agreement in the possession of CONTRACTOR shall be delivered by CONTRACTOR to CITY, at no cost to CITY, within seven (7) days. All records stored electronically by CONTRACTOR shall be delivered to the CITY in a format that is compatible with the City's information technology systems. Once the public records have been delivered to the CITY upon completion or termination of this Agreement, CONTRACTOR shall destroy any and all duplicate public records that are exempt or confidential and exempt from public record disclosure requirements.
5. CONTRACTOR'S failure or refusal to comply with the provisions of this Section shall result in the immediate termination of this Agreement by the CITY.

**IF CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 954-385-2000, [pbates@westonfl.org](mailto:pbates@westonfl.org) OR BY MAIL: City of Weston – Office of City Clerk, 17200 Royal Palm Boulevard, Weston, FL 33326.**

- D. Policy of Non-Discrimination: CONTRACTOR shall not discriminate against any person in its operations, activities or delivery of services under this Agreement. CONTRACTOR shall affirmatively comply with all applicable provisions of federal, state and local equal employment laws and shall not engage in or commit any discriminatory practice against any person based on race, age, religion, color, gender, sexual orientation, national origin, marital status, physical or mental disability, political affiliation or any other factor which cannot be lawfully used as a basis for service delivery.
  
- E. Public Entity Crime Act: CONTRACTOR represents that the execution of this Agreement will not violate the Public Entity Crime Act (Section 287.133, Florida Statutes), which essentially provides that a person or affiliate who is a CONTRACTOR, CONTRACTOR or other provider and who has been placed on the convicted vendor list following a conviction for a Public Entity Crime may not submit a proposal on a contract to provide any goods or services to CITY, may not submit a proposal on a contract with CITY for the construction or repair of a public building or public work, may not submit bids on leases of real property to CITY, may not be awarded or perform work as a CONTRACTOR, supplier, subcontractor, or consultant under a contract with CITY, and may not transact any business with CITY in excess of the threshold amount provided in Section 287.017, Florida Statutes, for category two purchases for a period of thirty six (36) months from the date of being placed on the convicted vendor list. Violation of this section shall result in termination of this Agreement and recovery of all monies paid hereto and may result in debarment from CITY'S competitive procurement activities. In addition to the foregoing, CONTRACTOR further represents that there has been no determination, based on an audit, that it committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether CONTRACTOR has been placed on the convicted vendor list.
  
- F. Third Party Beneficiaries: Neither CONTRACTOR nor CITY intends to directly or substantially benefit a third party by this Agreement. Therefore, the parties agree that there are no third-party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against either of them. Based upon this Agreement the parties expressly acknowledge that it is not their intent to create any rights or obligations in any third person or entity under this Agreement.
  
- G. Notices: Whenever either party desires to give notice to the other, such notice shall be in writing, sent by certified United States mail postage, prepaid return receipt requested or by hand delivery with a request for a written receipt of acknowledgment of delivery, addressed to the party for whom it is intended at the place last specified. - H. Conflicts: Neither CONTRACTOR nor its employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with CONTRACTOR'S loyal and conscientious exercise of judgment related to its performance under this Agreement.
  - 1. CONTRACTOR agrees that none of its officers or employees shall, during the term of this Agreement, serve as an expert witness against CITY in any legal or administrative proceeding in which he or she is not a party, unless compelled by court process. Further, CONTRACTOR agrees that such persons shall not give sworn testimony or issue a report or writing, as an expression of his or her expert opinion, which is adverse or prejudicial to the interests of CITY in connection with any such pending or threatened legal or administrative proceeding. The limitations of this section shall not preclude CONTRACTOR or any other persons from representing themselves in any action or in any administrative or legal proceeding.
  - 2. In the event CONTRACTOR is permitted to utilize subcontractors to perform any services required by this Agreement, CONTRACTOR agrees to prohibit such subcontractors, by written Agreement, from having any conflicts within the meaning of this section.
- I. Materiality and Waiver of Breach: CITY and CONTRACTOR agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. CITY'S failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.
- J. Severance: In the event a portion of this Agreement is found by a court of competent jurisdiction to be invalid, the remaining provisions shall continue to be effective unless CITY or CONTRACTOR elects to terminate this Agreement. An election to terminate this Agreement based upon this provision shall be made within seven days after the finding by the court becomes final.

- K. Joint Preparation: The parties acknowledge that they have sought and received whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to express their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.
- L. Priority of Provisions: If there is a conflict or inconsistency between any term, statement, requirement, or provision of any form and exhibit attached hereto, any document or events referred to herein, or any document incorporated into this Agreement by reference and a term, statement, requirement, or provision of this Agreement, the term, statement, requirement, or provision contained in Sections 1 through 8 of this Agreement shall prevail and be given effect.
- M. Applicable Law and Venue: Attorney's Fees and Costs: This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. The parties submit to the jurisdiction of any Florida state or federal court in any action or proceeding arising out of, or relating to, this Agreement. Venue of any action to enforce this Agreement shall be in Broward County, Florida. The parties expressly waive all rights to trial by jury, including advisory juries, for any disputes arising from or in any way connected with this Agreement. The parties understand and agree that this waiver is a material Agreement term. This Agreement is not subject to arbitration. If any party is required to enforce the terms of this Agreement by court proceedings or otherwise, whether or not formal legal action is required, each party shall pay its own attorney's fees and costs.
- N. Amendments: No modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement.
- O. Prior Agreements: This Agreement and its attachments constitute the entire agreement between CONTRACTOR and CITY, and this document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written. It is further agreed that no modification, amendment or alteration in the terms or conditions contained here shall be effective unless set forth in writing in accordance with Section 7.17 (N.) Amendments above.
- P. Incorporation by Reference: The truth and accuracy of each "Whereas" clause set forth above is acknowledged by the parties. The attached Forms and Exhibits are incorporated hereto and made a part of this Agreement.
- Q. Multiple Originals: This Agreement may be fully executed in four (4) copies by all parties each of which, bearing original signatures, shall have the force and effect of an original document.
- R. Headings: Headings are for convenience of reference only and shall not be considered in any interpretation of this Agreement.

- S. Binding Authority: Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.
- T. Survival of Provisions: Any terms or conditions of this Agreement that require acts beyond the date of its termination shall survive the termination of this Agreement, shall remain in full force and effect unless and until the terms of conditions are completed, and shall be fully enforceable by either party.
- U. Truth-in-Negotiation Certificate: Signature of this Agreement by CONTRACTOR shall act as the execution of a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation of this Agreement are accurate, complete, and current at the time of contracting.
- V. Non-Appropriation of Funds: In the event no funds or insufficient funds are appropriated and budgeted or are otherwise unavailable in any fiscal year for payments due under this Agreement, then CITY, upon written notice to CONTRACTOR of such occurrence, shall have the unqualified right to terminate this Agreement without any penalty or expense to CITY.
- W. Default: In the event of a default by CONTRACTOR, CONTRACTOR shall be liable for all damages resulting from the default. CITY may take advantage of each and every remedy specifically existing at law or in equity. Each and every remedy shall be in addition to every other remedy specifically given or otherwise existing and may be exercised from time to time as often and in such order as may be deemed expedient by CITY. The exercise or the beginning of the exercise of one remedy shall not be deemed to be a waiver of the right to exercise any other remedy. CITY's rights and remedies as set forth in this Agreement are not exclusive and are in addition to any other rights and remedies available to CITY in law or in equity.
- X. CITY and CONTRACTOR agree that this Agreement and any other documents to be delivered in connection herewith may be electronically signed, and that any electronic signatures appearing on this Agreement or such other documents are the same as handwritten signatures for the purposes of validity, enforceability, and admissibility.
- Y. Noncoercive Affidavit: In accordance with Section 787.06, Florida Statutes, the CITY requires all vendors executing, renewing or extending a contract with the CITY to execute the required CITY affidavit, attesting that vendor does not use coercion for labor or services.

1. CONTRACTOR and the Surety, jointly and severally bind themselves, their heirs, executors, administrators, successors and assigns to CITY for the performance of the Agreement, which is incorporated herein by reference.
2. If CONTRACTOR performs the Agreement, the Surety and CONTRACTOR shall have no obligation under this Bond, except to participate in conferences.
3. If there is no CITY Default, the Surety's obligation under this Bond shall arise after:
  - A. CITY has notified CONTRACTOR and the Surety at its address described in paragraph 10 below that CITY is considering declaring a CONTRACTOR Default and has requested and attempted to arrange a conference with CONTRACTOR and the Surety to be held not later than 15 days after receipt of such notice to discuss methods of performing the Agreement. If CITY, CONTRACTOR and the Surety agree, CONTRACTOR shall be allowed a reasonable time to perform the Agreement, but such an agreement shall not waive CITY'S right, if any, subsequently to declare a CONTRACTOR Default; and
  - B. CITY has declared a CONTRACTOR Default and formally terminated CONTRACTOR'S right to complete the Agreement. Such CONTRACTOR Default shall not be declared earlier than 20 days after CONTRACTOR and the Surety have received notice of such termination; and
  - C. CITY has agreed to pay the Balance of the Agreement Price to the Surety in accordance with the terms of the Agreement or to a CONTRACTOR selected to perform the Agreement in accordance with the terms of the Agreement with CITY.
4. When CITY has satisfied the conditions of paragraph 3, the Surety shall promptly and at the Surety's expense take one of the following actions:
  - A. Arrange for CONTRACTOR, with consent of CITY, to perform and complete the Agreement; or
  - B. Undertake to perform and complete the Agreement itself, through its agents or through independent CONTRACTORS; or

Obtain bids or negotiated Bids from qualified CONTRACTORS acceptable to CITY for an Agreement for performance and completion of the Agreement, arrange for an Agreement to be prepared for execution by CITY and CONTRACTOR selected with CITY'S concurrence, to be secured with performance & payment bonds executed by a qualified Surety equivalent to the bonds issued on the Agreement, and the Balance of the Agreement Price incurred by CITY resulting from CONTRACTOR's default; or
- D. Waive its right to perform and complete, arrange for completion, or obtain a new CONTRACTOR acceptable to CITY and with reasonable promptness under the circumstances:
  - i. After investigation, determine the amount for which it may be liable to CITY and, as soon as practicable after the amount is determined, tender payment therefore to CITY; or
  - ii. Deny liability in whole or in part and notify CITY citing reasons therefore.
- 5. If the Surety does not proceed as provided in paragraph 4 with reasonable promptness, the Surety shall be deemed to be in default on this Bond, 15 days after receipt of an additional written notice from CITY to the Surety demanding that the Surety perform its obligations under this Bond, and CITY shall be entitled to enforce any remedy available to CITY. If the Surety proceeds, without proper notice to CITY, CITY shall be entitled to enforce any remedy available to CITY.
- 6. After CITY has terminated CONTRACTOR's right to complete the Agreement, and if the Surety elects to act, then the responsibilities of the Surety to CITY shall not be greater than those of CONTRACTOR under the Agreement, and the responsibilities of CITY to the Surety shall not be greater than those of CITY under the Agreement. To the limit of the amount of this Bond, but subject to commitment by CITY of the Balance of the Agreement Price to mitigation of costs and damages on the Agreement, the Surety is obligated without duplication for:
  - A. The responsibilities of CONTRACTOR for correction of defective work and completion of the Agreement;
  - B. Additional legal, design professional and delay costs resulting from CONTRACTOR's Default, and resulting from the actions or failure to act of the Surety under paragraph 4; and

- C. Liquidated damages, or if no liquidated damages are specified in the Agreement, actual damages caused by delayed performance or non-performance of CONTRACTOR.
7. The Surety shall not be liable to CITY or others for obligations of CONTRACTOR that are unrelated to the Agreement, and the Balance of the Agreement Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than CITY or its heirs, executors, administrators or successors.
  8. The Surety hereby waives notice of any change, including changes of time, to the Agreement or to related subcontracts, purchase orders and other obligations.
  9. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the work or part of the work is located and shall be instituted within two years after CONTRACTOR Default or within two years after CONTRACTOR ceased working or within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.
  10. Notice to the Surety, CITY or CONTRACTOR shall be mailed or delivered to the address shown on the signature page.
