

ADDENDUM NO. 2

RFQ TITLE: Professional Engineering Design Services Weston Various Locations – Sidewalk and ADA Improvements

RFQ NO: 2026-03

DATE: February 24, 2026

To All Proposers:

Proposers for the above referenced RFQ shall take note of the following changes, additions, deletions, clarifications, etc., to the RFQ documents, which shall become a part of and have precedence over anything shown or described otherwise.

A. CHANGES IN THE RFQ DOCUMENTS

None.

B. CLARIFICATIONS

- 1) The FDOT DBE requirement is currently suspended. The contract goals are not enforced but nondiscrimination and good-faith outreach must continue per FDOT guidance.

C. QUESTIONS FROM PROPOSERS

- 1) Q: Is there a separate bid or pricing form we must complete for this RFQ, or should we follow the Chapter/Forms structure in SECTION 6 (Forms 1–21) as the complete submission?

A: Please refer to section 4.1 – D., Proposal Format, of the solicitation. This is a Request for Qualifications for professional services. Therefore, pricing will be required/evaluated during the award stages of the process.

- 2) Q: If a specific proposal/bid form exists (or is preferred), please confirm where it is located or provide the form.

A: See response to question above.

- 3) Q: On Page 5 of 94, the first paragraph refers to the 10.54% DBE usage goal. FDOT has stopped the DBE program, is this requirement still in effect?

A: See Section B. CLARIFICATIONS, as noted herein.
